**Joint Symposium with Faculty Travel Medicine RCPSG & RCGP Scotland
Thursday 26th April 2012**

Despite the economic climate, travel remains a hot topic on the agenda for many, keeping healthcare professionals busy in primary care. This stimulating programme has been developed by request following our last successful meeting in 2010. This one day symposium is designed not only to update those practising travel medicine, but also to address issues that may present a greater challenge from routine care.
